

WALKS OF LIFE

IN CONNECTION WITH *LEAVING LAS VEGAS*

Your task now is to write a short story where two people meet and change each other's lives forever. Their backgrounds should be very different and they must meet by a coincidence (compare how Ben and Sera first met). Create interesting characters with believable pasts who will affect each other deeply and irreversibly. Who are they? What will happen? How will it end? You decide! Pay special attention to a varied vocabulary and correct grammar!
